This report is otherwise distributed by BancTrust International Inc. The issuance and distribution of this report is being made only to, or directed only to, "Professional Clients" and "Eligible Counterparties" as defined by the FCA in the FCA Handbook COBS 3.5 and COBS 3.6 respectively. It is not suitable or directed to any other party, nor is it directed to you should you reside in a jurisdiction that BancTrust & Co. cannot provide its services to. BancTrust & Co. will not treat unauthorised recipients of this report as its clients and accepts no liability for use by them of the contents which may not be suitable for personal use.

This report is a financial promotion and does not constitute an investment advice. BancTrust & Co. makes no representation or warranty in relation to the accuracy, completeness or reliability of information contained in its research. Research is not intended to be an exhaustive statement on the financial instruments, issuers, markets or developments referred to in its research. Any opinions expressed in this research are subject to change without notice. The analysis contained in the research is based on numerous assumptions. Different assumptions could result in materially different results. Save as otherwise disclosed on this page, or any other financial promotions, BancTrust & Co. is not aware of any relationships or circumstances relating to it, its Affiliated Companies, its investment analysis, or its other employees, which could reasonably be expected to impair the objectivity of its research.

Nothing in this report constitutes a representation that any investment strategy or recommendation contained in the research is suitable or appropriate to a recipient's individual circumstances. Neither the information provided in this report or information on which such reports are based, nor the opinions expressed in any other communications, should be considered or construed by any client or prospective client as an offer or invitation or other solicitation or recommendation to enter into or attempt to enter into a transaction to buy or sell a security.

BancTrust & Co. does not represent or undertake that recipients of its research reports will obtain profits, nor will it share with such recipients any investment profits, nor accept any liability for any investment losses or tax consequences that they may suffer. Investments in any financial instruments involve risks, and recipients of the research should exercise prudence in making their investment decisions. The research should not be regarded by recipients as a substitute for obtaining investment advice and/or the exercise of their own judgement and is not to be relied upon by recipients. Neither BancTrust & Co. nor any of its Affiliated Companies, nor any of their members, directors, employees or agents accept any liability for any loss or damage arising out of the use of all or any part of the research.

The investments discussed in this report may fluctuate in price or value. Investors may get back less than what they invested. Past performance is not necessarily indicative of future results. Foreign currency rates or exchange may adversely affect the value, price or income of any security or related investment mentioned in this research. This report does not contain an exhaustive statement of the risks associated with the investments or types of investments referred to in the research.

Any prices stated in this report are for information purposes only and do not represent valuations for individual securities

or other financial instruments. There is no representation that any transaction can or could have been effected at those prices. In line with its compliance procedures, BancTrust & Co. undertakes every effort to avoid, mitigate and manage conflicts of interest, both between itself and its clients as well as between a client and another client. Disclosure of BancTrust & Co.'s Conflicts of Interest policy can be requested from our compliance department.

Subject to BancTrust & Co.'s compliance rules and all applicable laws and regulations, the directors and employees of BancTrust & Co. may have long positions in, or may buy and sell any of the securities, derivative instruments or other instruments mentioned or described in this report, either as agent or as principal for their own account. However, BancTrust & Co. has a strict personal account dealing policy in place, in line with its compliance policies.

BancTrust & Co. may, to the extent permitted by law, participate or invest in financing transactions with the issuer(s) of the securities referred to in this report, perform services for or solicit business from such issuers, and/or have a position of holding, or other material interest, or effect transactions, in such securities or options thereon, or other investments related thereto. In addition, it may make markets in the securities mentioned in the material presented in its research. BancTrust & Co. may have, within the last three years, served as financial advisor or placement agent of a private or public offering of securities for, or currently may make a primary market in issues of, any or all of the entities mentioned in this report or may be providing, or have provided within the previous 12 months, significant advice or investment services in relation to the investment concerned or a related investment.

In the production of its research, BancTrust & Co. makes numerous calculations based on various assumptions, including a diverse range of valuation methodologies including, inter alia, analysis of earnings multiples, discounted cash flow and sum-of-the-past calculations as well as net asset value assessments, which when adjusted could result in materially different outcomes. The authors of our investment research and research analysts are not compensated for any investment banking transactions undertaken by BancTrust & Co. and/or its Affiliated Companies.

BancTrust & Co. issues the following recommendation ratings for fixed income financial instruments over a three-month period:

OVERWEIGHT: Spreads and/or excess returns are expected to overperform the benchmark market index.

NEUTRAL: Spreads and/or excess returns are expected to post a similar performance relative to the benchmark market index.

UNDERWEIGHT: Spreads and/or excess returns are expected to disappoint relative to the benchmark market index.

BancTrust & Co. targets the J.P. Morgan Emerging Market Bond Index (EMBI) Global Total Return as its benchmark index (Bloomberg ticker JPEIGLBL Index). The J.P. Morgan EMBI Global Index is a more comprehensive version of the EMBI+ Index, as it selects countries based on the World Bank's per capita income brackets and the country's debt-restructuring history.

BancTrust & Co. targets the J.P. Morgan Corporate Emerging Market Bond Index Broad Diversified (CEMBI) Total Return as its benchmark index (Bloomberg ticker JBCDCOMP Index). By covering a larger universe of EM corporate bonds that includes smaller and shorter-dated notes, it provides wide issuer coverage and risk diversification.
